We quote for immediate order and further market changes, F. O. B. Kansas City. All stocks are New Crop and show a satisfactory growth. Our PRIME and CHOICE grades are of exceptional value. They show a good purity and germination, but owing to the fact that some of these grains have been discolored by the weather, they naturally sell for less.

**STANDARD SEEDS MUST BE SATISFACTORY TO YOU.** As soon as you receive your shipment of seeds, inspect them carefully. Test them in any way you wish. If for any reason they are not satisfactory, return them within ten days and we will refund the entire amount of the purchase price. Owing to the fact that weather, soil, methods of cultivation and other conditions beyond our control are important factors in crop yields, it is now well known that reputable seedmen cannot warrant seed productiveness or guarantee the crop. If the purchaser does not accept goods on these terms they are to be returned at once.

**FIELD SEEDS:** Field seed prices are quoted F. O. B. Kansas City, and will be shipped by freight unless otherwise ordered. If you want field seeds shipped by parcel post, be sure to include a sufficient amount with your remittance to cover postage.
